AMENDMENT INFORMATION

Amendment Type: New Project
Amendment Date: 05/15/2023
Amendment Number: 000
Proposal Number: 2306118
Amendment Description:

The National Science Foundation hereby awards a Standard Grant for support of the project described in the proposal referenced above as modified by revised budget dated 05/12/2023.

This award includes funds from the EPSCoR program and those funds cannot be transferred to non EPSCoR jurisdictions.

Funds provided for participant support may not be diverted by the awardee to other categories of expense without the prior written approval of the cognizant NSF Program Officer. Since participant support cost is not a normal account classification, the awardee organization must be able to separately identify participant support costs. It is highly recommended that separate accounts, sub-accounts, sub-task, or sub-ledgers be established to accumulate these costs. The awardee should have written policies and procedures to segregate participant support costs.
