AMENDMENT INFORMATION

Amendment Type: New Project

Amendment Date: 03/25/2020

Amendment Number: 000

Proposal Number: 2013929

Amendment Description:

The National Science Foundation hereby awards a Standard Grant for support of the project described in the proposal referenced above .

Principal investigators are required to comply with the OPP Data Management Policy (NSF 16-055) and evidence of compliance is required in final project reports. Principal investigators must also address in the final project report the status of archival, accessibility, and metadata related to physical/biological samples collected during the project.

The Polar Code of Conduct alerts participants to the National Science Foundation's expectations for professional conduct and acceptable behavior while working in the Arctic.

(https://www.nsf.gov/geo/opp/documents/policy/polar_coc.pdf).

Participants in research supported by NSF are required to comply with this Code of Conduct. As noted in the Code, violations "may be shared with current and future Antarctic or Arctic program support contractors, federal agency partners, or grantee institutions" and "may result in adverse consequences to the individual, including, but not limited to, removal from a US Antarctic Program or Arctic station, field camp, other facility, ship, or aircraft; termination of employment (by the employer); or other administrative, civil, or criminal enforcement actions, as appropriate."
