#### AMENDMENT INFORMATION

**Amendment Type:** New Project

**Amendment Date:** 08/12/2020

**Amendment Number:** 000

**Proposal Number:** 2029523

**Amendment Description:**

The National Science Foundation hereby awards a Standard Grant for support of the project described in the proposal referenced above as modified by revised budget dated 08/10/2020.

Funds provided for participant support may not be diverted by the awardee to other categories of expense without the prior written approval of the cognizant NSF Program Officer. Since participant support cost is not a normal account classification, the awardee organization must be able to separately identify participant support costs. It is

highly recommended that separate accounts, sub-accounts, sub-task, or sub-ledgers be established to accumulate these costs. The awardee should have written policies and procedures to segregate participant support costs.

F.L. 26, "Administration of NSF Conference or Group Travel Award Grant Special Conditions," dated February 25, 2019, are applicable. See [https://www.nsf.gov/bfa/dias/policy/fl26/fl26\\_219.pdf](https://www.nsf.gov/bfa/dias/policy/fl26/fl26_219.pdf).

Costs of entertainment, amusement, diversion and social activities, and any costs directly associated with such costs (such as meals, lodging, rentals, transportation and gratuities) are unallowable. When certain meals are an integral and necessary part of a conference or meeting (i.e., working meals where business is transacted), grant funds may be used for such meals. Grant funds may also be used to furnish a reasonable amount of coffee or soft drinks for conference or meeting participants and attendees during coffee breaks. No NSF funds may be spent on meals or coffee breaks for intramural meetings of an organization or any of its components, including, but not limited to, laboratories, departments and centers.
