

**AMENDMENT 1**  
to  
**SPONSORED RESEARCH AGREEMENT #V210404**

This amendment is between The Regents of the University of Idaho ("University") a public university of the state of Idaho, and Beta Hatch, a state of Washington Corporation ("Sponsor").

The parties enter into this agreement to carry out the project described in Attachment A under University's control and direction ("Research Project"). The Research Project will further University's mission to provide instruction, research, and public service to the benefit of the state of Idaho. This agreement is specific to the Research Project and will not necessarily be used as precedent for other projects between the parties.

University and Sponsor therefore agree as follows:

**1. Section 1**

Section 1, "Performance Period," is hereby amended in its entirety to read as follows:

*Work on the Research Project shall begin on 1 July 2021 and will end 31 March 2022 ("Performance Period").*

Each party is signing this amendment on the date stated opposite that party's signature.
